PTC Celebrates  
30 Years  
With 50 Finalists

11.1.12

Tech 50 will kick off the PTC's 30th anniversary on November 1, 2012, by rewinding and fast forwarding through three decades of Pittsburgh's fast-growing technology industry.

New this year, Tech 50 will place an even brighter spotlight on the finalists, showcasing their technologies at the Tech 50 Showcase of Innovation before the awards gala. This is the perfect opportunity to learn more about the finalists and make new connections.

Get a glimpse of Pittsburgh's hottest tech innovations, meet the finalists and then celebrate the winners.
